

DAC CHURCH MOBILIZATION PROJECT APPLICATION FORM

Purpose: Igniting local churches to share the Gospel and disciple new believers.

What is it?

The **DAC Church Mobilization Project (DCMP)** is a 3-month program for church leaders (pastors, boards and elders) to unleash their church and ministry into evangelistic obedience.

After a church is accepted into the cohort, they will be given **coaching, resources, training and activations** for both the leaders and the church body to begin obediently (and rapidly) sharing the Gospel of Jesus. This is a whole church initiative with a value for congregation transformation.

Who is it for?

Leaders who value the spiritual growth of others.

These leaders and their churches/teams/organizations will first-hand experience the transformative nature of **sharing the Gospel and discipling new believers**.
